

SCITCS Award

Spinal Cord Injury Treatment Centre Society Award

The Alberta Rehabilitation Coordinating Council's Annual Awards Dinner is an interdisciplinary event attended by members and friends of the rehabilitation fields – Occupational Therapy, Physical Therapy, Speech-Language Pathology and Audiology. It is an opportunity to honor professionals and support personnel who have provided exemplary service within their respective fields. The next Awards dinner will be held Friday, September 29, 2006 at Lister Hall, University of Alberta.

The SCITCS executive selects the recipient of the Spinal Cord Injury Treatment Centre Society Award. Please consider nominating a person who meets the award criteria in a manner-deserving acknowledgment.

This award recognizes and acknowledges and Occupational or Physical Therapist who has made a significant contribution through research, clinical

practice, rehabilitation, or service to enhance the quality of life for clients with a Spinal Cord Injury.

Criteria:

The ideal candidate will:

1. have initiated or participated in a research project involving clients with a Spinal Cord Injury, OR
2. have developed a new clinical procedure or treatment aiding clients with a Spinal Cord Injury, OR
3. have provided outstanding service to clients with a Spinal Cord Injury through support as a front line worker, mentor, educator or advocate.

Please submit to:
